Strategies for organizing learning for diverse learners

Enrichment Programme

The enrichment programme enables students to realise their potential in a variety of settings beyond the classroom. Students develop a sense of self-awareness and an understanding of school and community needs and opportunities. They also learn how to apply their gifts and skills to make a positive impact.

At the Academy, we believe a balanced, comprehensive school experience. As this includes both academic and enrichment

experiences, we encourage our students to do their best both in and outside the classroom.

The aim of Enrichment Programme is to provide something different to the normal

classroom experience and enable students to

a) Challenge themselves to achieve to their full potential

b) Learn skills they may not acquire in a classroom

c) Have opportunities for leadership

d) Develop new interests

e) Widen their intellectual experiences.

f) Learn to cope with new challenges

g) Improve independent learning skills
