## Critical Interpretations

The purpose of the study is to observe the academic progress of the student Mr. Rajdhoni Das of Somat Roy Chowdhury Institution, Kolkata. From the data of the student we can easily say that he is an excellent student.

From both of the table it is clearly seen that the student's performance is better than his formative performance. That means teachers of this school <sup>has</sup> taught them well and he also learned with <sup>^</sup>full of concentration throughout the year.
